

REMARKS

The title has been objected to as being non-descriptive. The new title A DIGITIZED DEMODULATING DEVICE IN A DIGITAL TV RECEIVER has been inserted to replace the title originally filed with the application.

The disclosure has been amended on page 2 to delete the reference to the foreign application as requested by the Examiner.

Claims 1-14 are objected to for reciting the term "digitalizing." This objection is respectfully traversed. However, the claims have been amended to replace "digitalizing" with "digitizing" as suggested by the Examiner. The disclosure has been further amended as requested by the Examiner to bring it into compliance with this change. Thus, it is believed that the objection has been eliminated.

In view of the above amendments and remarks it is now believed that the present application is in condition for allowance. Accordingly, reconsideration of the objections and rejections and allowance of all of the claims of the present application are respectfully requested.

Conclusion

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Joseph A. Kolasch (Reg. No. 22,463) at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,
